

Action Taken Report

2021 to 2024

1. Suggestions from Alumni:

Overall alumni have suggested that the college should focus on improving communication skills, personality development, self-motivation and confidence and good mentoring. Alumni suggested that the libraries facilities need to be improved by adding manuscripts and reference book. Alumni have suggested that the Need more placement activities and industrial visits. Overall alumni have suggested that special care need to be taken on competitive exams.

Action Taken:

Departmental libraries made available in all departments. Different workshops and seminars are arranged in college. Necessary help was given to interested students to carry out internships various organizations. As and when required industrial visits are arranged as per the curriculum. The placement cell is applying more effort for improving placements. The students are permitted for doing industry sponsored projects which require more time. Seminar and guest lectures arranged by departments regarding awareness of competitive exams.

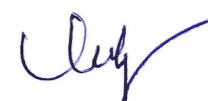

2. Suggestions from Parents:

Parents suggested that the students must be involved in the industry based projects. Parents suggested need of industry interaction for students. Parents want their wards to be trained with leadership and personality development. The number of industry based projects need to be more. Quality of curriculum and methodology of delivering education should be raised to a level which enables students to easily pass competitive exams and just studying is to be replaced with learning.

Action Taken:

Encourage students to do field projects or internships. Students are encouraged to take industry based projects to get industry exposures. College will focus more on how to make examination system more effective. The college is organizing soft skill as well as aptitude training program for students. Interested students are helped for doing field projects. The college advises faculties for using video lectures, ppt's and webinars for effective learning.

3. Suggestions from Students:

Students felt that library hours should be increased for their self-study. Also suggested that Number of Library books not sufficient. Need more clarity on explanation for few subjects. Some of the Lab Equipments are not working properly. Need L.C.D. projectors in all class rooms. Teaching/Laboratory facilities upgraded.

Action Taken:

Library timing is extended for self-study of student and more books are added for variety of subjects. Concerned teachers are instructed for taking more efforts with respect to teaching methods. The concerned departmental head will make sure that all the laboratory equipment's are in working conditions. Portable L.C.D. projectors are available in each department. The newer equipment's and software's are purchased. All the faculties are instructed to give all the assignment questions before beginning of every chapter.

4. Suggestions for Curriculum:

The university try to commence the kind syllabus which is helpful for the students to get jobs. Outdated syllabus should be removed, the syllabus which has no relevance with the present situation.

Action Taken:

With the changing time it has been the need of the hour to start skill based courses to make the students capable to start their own small and handicraft business. By taking the recruitment of time into consideration U.G.C. has recently approved some of the skill based courses our college is going to start communication and Information & Technology for Employability Enhancement and Diploma in Travel and Tourism.
